POWERING FUTURE CHOICES WORKSHOPS FOR WOMEN

Are you a woman who is 50+ and wanting to better plan your future?

These community workshops are for women to explore resources and choices that are important for future life. They will provide you with practical information on options, planning ahead and supports available to reduce the risk of housing and financial stress, including the impacts of changing relationships later in life and your rights.

Workshops are facilitated by trained Peer Educators, women who have been there and can help you build your skills, knowledge and connections.

Money

Gender pay gap, Superannuation, entitlements, financial counselling and creating a financial plan.

Housing

Housing stress, homelessness and creating a housing plan.

Relationships

Relationship changes and breakdowns, unsafe relationships, your rights and resources and information.

April - June 2022

Online (Zoom)

Free workshops | All women 50+ welcome
