Dear ██████████

Proposal: Planning Scheme Amendment C236mbek

Location: Merri-bek City Council

Melbourne Water Reference: MWA-1415801

Thank you for allowing Melbourne Water the opportunity to provide comment on Amendment C236 to the Merri-bek Planning Scheme which proposes to introduce a new municipal-wide Development Contributions Plan.

Melbourne Water has reviewed the proposed amendment and accompanying documentation and advises that it has no objection to the amendment as exhibited. Melbourne Water recognises the Development Contributions Plan as an appropriate mechanism to equitably fund and deliver drainage infrastructure required to manage flood risk and support sustainable development, consistent with Clause 13.03-1S.

Melbourne Water does not wish to be a party to any subsequent Panel Hearing that may proceed in relation to this amendment.

For enquiries relating to the above advice, please our Customer Service Centre on 131 722, quoting the MWA case number.

Yours sincerely,
