Key Event Information

Fawkner Festa is a free outdoor community event that celebrates and showcases the vibrant and diverse community of Fawkner. Come on down to enjoy performances, community stallholders, delicious food, children's activities, and workshops.

The Fawkner Festa site is fully wheelchair accessible. Most of the site is ground-level concrete and asphalt, however, there is grass around the skatepark. The buildings are wheelchair accessible. The opening speeches will have AUSLAN translators. Expect lively music and a friendly, bustling atmosphere, however, there are activities in quieter spaces such as the library. If you have any specific access or other needs please ask one of our friendly staff in the yellow "Arts Merri-bek" t-shirts.
