

Barking dog diary

Your accuracy in recording the nuisance barking is of extreme importance as it may be presented as evidence in court. Please create a detailed diary **with a minimum of seven (7) day entries** as the example indicated below and attach the diary with the complaint form.

This may seem excessive, but remember, you may be required to present this diary before a Magistrate in Court as accurate and concise evidence.

The complaint will be investigated if the statutory declaration is completed and forms part of your complaint. By submitting your complaint you agree that you may be required to attend Court as a witness.

Forward your completed forms and diary to:
