Family Day Care Our Philosophy & Values

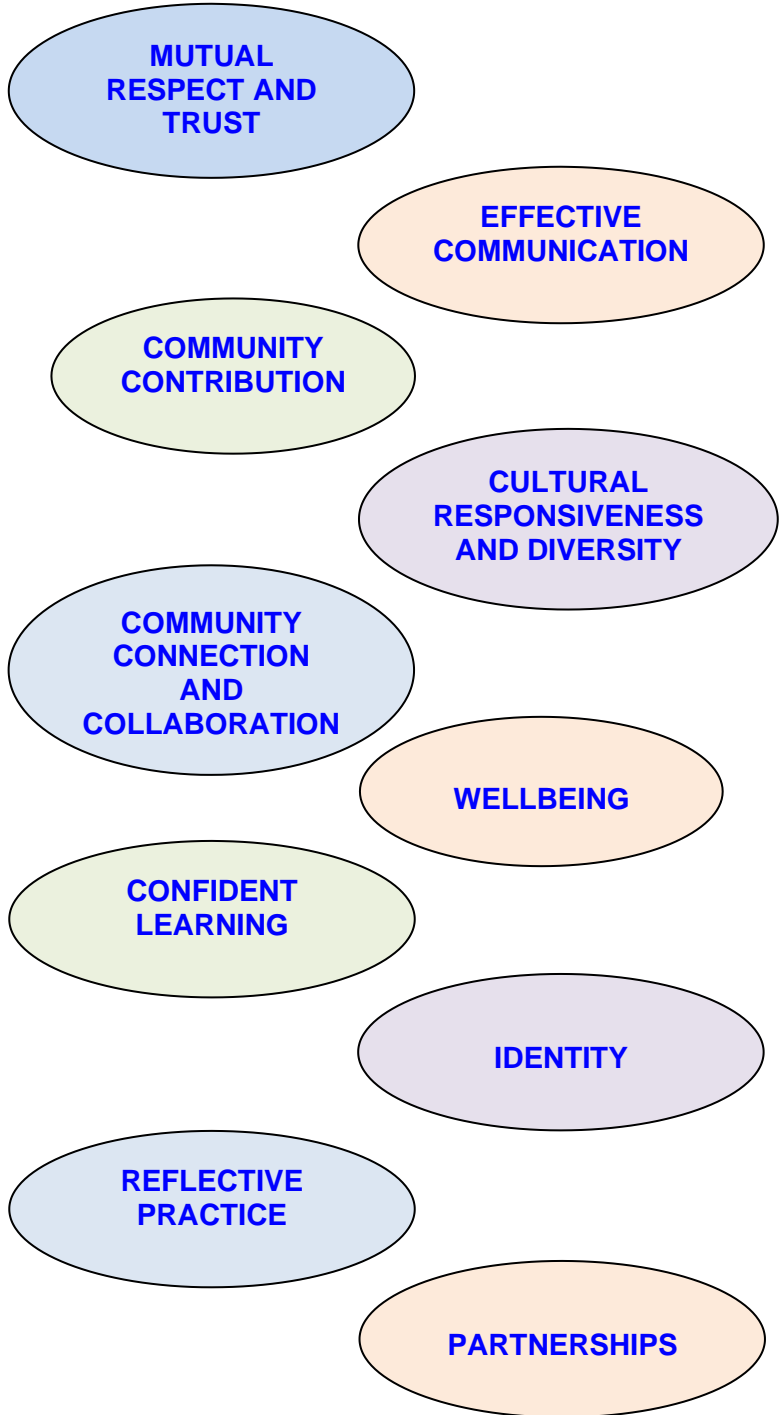

We promote the development and enjoyment of:

FDC is a team of Families, Educators and the FDC Coordination Unit. The focus of our efforts in FDC is the child's wellbeing and education. We work in partnership based on cooperation, respect, and open communication to encourage each child to reach their full potential. We strive for an environment that is safe, happy, and nurturing.

Children in their formative years thrive in a small group with a primary Educator who is aware of and responsive to the individual child's developmental needs.

We believe:

- Every family has the right to quality children's services.
- All children are individuals and have the right to a safe and secure environment which acknowledges the Child Safe Standards.
- Our service will respond to the needs of families from all social, cultural, and economic backgrounds.
- In encouraging children to learn through play, inspiring fun, security in a stimulating and sustainably aware environment.
- All children have the right to encouragement, support, understanding and acceptance.
- In a team approach.

within a sensitive, responsible and confidential environment
