

# A Collaborative Approach to Children's Behaviour

Merri-bek  
City Council

During this presentation Rebecca will cover the reasons children present with challenging behaviours and provides strategies that can support children both at home and kindergarten.

Rebecca's approach is collaborative, with an empathetic lens that understands the different needs of educators and families. Highlighting both the challenges of working together and how these might be overcome to help us provide our children with a supportive learning environment.

## About the presenter

Rebecca is an Education and Developmental Psychologist and kindergarten teacher.

Her role includes supporting children with a range of presentations including developmental delay, autism, ADHD and trauma.

Rebecca completes assessments and provides intervention for children, adolescents and adults.
