About our Community Grant Program

Introduction

This Community Grants Program aims to work in partnership with community groups and individuals to create a sustainable, active, healthy, inclusive and empowered Moreland. The Program is based on Council's Community Grants Policy and provides support for new and innovative initiatives that respond to emerging community needs.

It is a competitive process and limited by the amount of funds available. Applicants are not guaranteed funding, nor the full amount requested. Projects funded previously cannot be guaranteed funding in future years. This needs to be considered when developing an application.

Community Grants Objectives

The objectives of this program are aligned with the themes in the Council Plan 2021-2025 that has been shaped by the voice of the community:

An environmentally proactive Moreland: To strive for maximum protection of people, plants and animals through leading an urgent response to the climate emergency and a regeneration of our natural environment.

Moving and living safely in Moreland: To contribute to the health, safety, and security of everyone living in our diverse community and to increase safe, accessible, physically active and enjoyable ways to get around Moreland, especially via walking, cycling and public transport.

A healthy and caring Moreland: To support Moreland to become a more inclusive, connected, healthy and caring community through providing equitable access to community facilities and services and facilitating local partnerships and programs

Vibrant spaces and places in Moreland: To create welcoming, unique spaces and places across Moreland that attract and connect everyone, improving access to community facilities and affordable housing and encouraging vibrant artistic, social and economic activity.

An empowered and collaborative Moreland: To build community trust through encouraging participation, evidence-based decision making, stewardship of resources and being accessible and responsive.

➤ Read the Council Plan 2021-2025 [here](#)

Funding Priorities

Applications that meet one or more of the Funding Priorities, will score higher in the assessment process:

- The project supports Council's priority communities including:
 - Aboriginal and Torres Strait Islander communities,
 - Migrant and refugee communities,
 - People with disability,
 - Lesbian, Gay, Bisexual plus, Transgender and gender diverse, Intersex, Queer, Asexual and Aromantic communities (LGBTIQA+),
 - Women,
 - Youth,
 - Seniors,
 - Children.
- The project is planned and delivered by community groups and organisations that work together,
- The project has clear benefits for people living in Moreland,
- The project considers its environmental impact and tries to minimise it where possible.

Program Principles

Inclusion: Providing opportunities for individuals and groups to meaningfully take part in community life.

Equity: Consciously addressing the barriers faced by disadvantaged groups and individuals.

Impact: Taking a purposeful and strategic approach to funding projects that deliver meaningful social impact.

Capacity building: Supporting individuals and groups to develop practices, skills and resilience to shape their own futures.

Collaboration: Encouraging networks and partnerships to deliver exceptional strategic outcomes together.

Transparency: Delivering a funding program that is transparent and accountable in all processes and decisions.

What happens after I submit an application

How we assess grants

We assess eligible applications using the criteria listed below and funding is awarded based on merit and information submitted in the application.

% of Score	Criteria	How we assess applications
40%	Supports Community Grants Objectives and Funding Priorities	<ul style="list-style-type: none">How does the application meet one or more of the Community Grants Objectives?To what extent does the project address the Funding Priorities?
35%	Demonstrates community need	<ul style="list-style-type: none">Why is the project needed?How many local people will benefit from the project?What benefits will the project have for the community?Has the applicant asked local people or groups if this project is needed?Is there anything else like this project in Moreland?
25%	Has capacity to implement the project	<ul style="list-style-type: none">Is the project well planned and achievable within the timeframes?Does the organisation have the resources and experience to manage the program?Does the budget reflect value for money?Is there evidence of in-kind contribution?

Assessment Process

The Assessment Process involves several stages, which is why it takes a little time before you find out the outcome of your application.

- The Community Grants team conducts eligibility checks based on the Community Grants Policy and Guidelines. Applications that meet the eligibility criteria continue to the next assessment stage. (Eligibility checks relate to the information in the Who can apply and What we won't fund sections.)
- Eligible applications are then assessed by an Assessment Panel, who will come up with a list of applications recommended for funding.
- Applications requiring an EOI for a Structural Improvement Grant will undergo a preliminary assessment process, including an interview and site visit where necessary, and be short-listed. Shortlisted applicants will then be asked to submit Part 2 of the application form, along with any additional supporting information, which will be further assessed by the Assessment Panel.

Approval of Applications

- Recommendations made by the Assessment Panel are presented to Council for approval at a Council Meeting in July and/or December each year.
- Applications to the Community Participation Grant will be assessed by the Assessment Panel and approved by Council staff, in line with the level of authority as outlined in the Moreland Procurement Policy.
- All applicants will be informed of the outcome of their application in writing and offered the opportunity to discuss the application process. Unsuccessful applicants can seek feedback from Council in relation to funding outcomes and assessment panel decisions.

My application is successful

If you are successful, a funding agreement outlining the conditions of your grant will be sent to you (or your auspice organisation). You will be required to sign and return a copy of the funding agreement and provide a copy of your organisation's bank statement showing the account number, BSB number and name that matches the applicant or auspice ABN details. All payments will be made by electronic transfer.

Structural Improvement Grants are paid by instalment.

Your responsibilities

If you receive a grant from Council, you'll be expected to:

- ✓ Spend the money for the purpose outlined in your application and Funding Agreement.
- ✓ If your plans change (timing / budget / project), you need to submit a variation request to Council, and have it approved, before you make any changes to your project.
- ✓ If you spend the grant differently than your application / Funding Agreement without approval, Council will ask for all grant monies to be returned.
- ✓ Submit an Acquittal/Accountability Report that shows how the grant money was used, as set out in the Funding Agreement.
- ✓ Return any unspent funds to Council.
- ✓ Acknowledge Council's support in any advertisements, flyers or other activities used to promote the project.
- ✓ Tell people about the funded activity or project. Please note, evidence of promotion will be required in your acquittal.
- ✓ Support Council's campaign to encourage the community to support local businesses by buying local goods and services.

As part of the Community Grant accountability process, we reserve the right to audit any and all Community Grant recipients for compliance with the grant conditions and expenditure of grant monies received.

Talk to us if you encounter issues or problems with delivery of your project.

Promoting your project

Please ensure you acknowledge the Community Grant funding contribution on all publications and advertising for your funded activity.

Please use the grants logo to acknowledge support, the grants team can provide support and approval for your advertising and promotions of the funded activity.

Don't forget to provide opportunity for a Council representative to speak and attend the launch or opening of the project.

Example of logo is below: [E-mail](#) us for more logos and help with promotion.

Project changes or variations

Any change to the project will require a formal variation request. This request is assessed and approval by the assessment panel. Written approval can only be issued by Council's Grants Team. Do not make changes to your project without receiving approval. You will be notified of the outcome.

A variation to a project may change how, when or the expenditure of a component of a funded project, while maintaining the outcomes of the project. Changes to the funded activity must be submitted via a Funding Variation Request form on SmartyGrants. Please request a variation form to be added to your submission. Discuss any proposed changes with the Grants Officer via [e-mail](#) or phone.

Significant variation proposals that change the scope and impacts the outcomes approved by Council, may be viewed as a new project and a variation may not be supported.

Problems with your project

Talk to us in the grants team if you encounter issues or problems with delivery of your project.

The earlier a problem is identified the easier it can be dealt with so any impacts on the project are minimised.

If you encounter a really significant issue, you will need to speak with us as we will assess the problem and arrange relevant discussions or meetings with relevant Council officers and the grants team, especially if it will affect your organisation's ability to meet deadlines or complete the project.

Council officers will respond positively to honest, and timely contact with organisations should major problems be encountered.

E-mail: communitygrants@moreland.vic.gov.au

Acquittal Evaluation

Each grant recipient is required to submit an Acquittal Form within one month of completion of the project. The acquittal includes questions about how many people participated in the event/program, what adjustments were made to the project as it unfolded, and whether the aims and objectives outlined in the application were met. The acquittal also includes a financial report, which shows how the funding was spent. You are required to keep accurate and up-to-date records including itemised receipts issued when funding is spent.

The required acquittal form is attached to each successful application. Links to the acquittal forms are listed under each application in the "My submissions" area of SmartyGrants. To access an acquittal form, please log onto <https://moreland.smartygrants.com.au/>, click on the "My Submissions" tab and scroll down to the specific grant. You can then complete and submit the acquittal.

- ✓ Please keep receipts for all expenditure items to upload into your online acquittal.

Facility Improvement Grants are required to submit completions certificates and evidence of occupancy when the project is complete to receive the final payment of funding.

Frequently Asked Questions

What does mean to be incorporated

Incorporation gives your group its own legal identity (the group becomes a 'separate legal entity' separate from its members). The incorporated group can enter into contracts, sign a lease, employ people, and sue and be sued.

Activities occur in the group's name, rather than in the names of individual members. Incorporated groups follow a particular structure, with group rules (or constitution), members, and a governing body (often called a board or committee).

Many grants are unavailable to unincorporated groups, and this is why auspicing is suggested in these situations.

For more information on incorporation, refer to the following helpful guides:

- Justice Connect's Not-for-profit-Law website: [Starting a not-for-profit organisation](#)
- Consumer Affairs Victoria's guide for clubs and community groups: [Should your club incorporate?](#)

Taxation - does my group need an ABN

Your group may need to supply an ABN as part of your application. An ABN refers to an Australian Business Number issued by the Australian Taxation Office (ATO). If your organisation has an ABN, it must be included in your application.

Your groups ABN will indicate if you are registered for GST or not registered for GST to find this information go to www.abr.business.gov.au.

If your group is not registered for GST, then no GST is paid on the funded amount. If your group is registered for GST then the GST amount: it must be added to your funded amount.

Read more at: www.ato.gov.au/business/registration.

What is Auspicing?

The 'auspice organisation' takes responsibility (legal and financial) of the grant on your group's behalf. They will sign your grant agreement, receive and distribute grant funds under the grant agreement, ensure activities or events are completed, and submit accountability and evaluation reports with you and on your behalf. Your group/organisation will still be known as the 'grant recipient'.

Important information on auspice organisations:

- The auspice organisation you choose must be incorporated and have an ABN.
- The auspice organisation accepts legal and financial responsibility for the grant and will need to meet all eligibility criteria and provide public liability insurance coverage for the project(s).
- Grant money will be paid to the auspice organisation, not the applicant.

Auspiced applicants will need to provide the auspice organisation's contact details, ABN, their most recent financial report, and evidence outlining your agreement with them.

Who could auspice me?

You can approach a larger organisation to partner with your community group/organisation to fund a grant.

- Local neighbourhood house
- A community organisation you have worked or partnered with
- Peak body or governing association of your field
- Organisations with a similar mission and purpose
- Auspicious Arts (designed to support grant applicants) – for more info visit [the Auspicious Arts website](#)

You may apply through an auspice organisation if your group does not wish to purchase insurance.

Or you may be covered under Liability insurance of the venue you are holding your project if your activity is entirely held at that venue.

Why do you need public liability insurance coverage

Understandably Public Liability Insurance (PLI) may cost a significant amount to a group, however the risks of not having PLI could cost a group much more.

Community groups/organisations will most likely interact with the public as part of running its activities or projects. PLI protects an group/organisation against the liability to pay damages for a bodily injury, death, or for property damage that may occur as a result of an activity by the organisation. Because of the enormous potential costs your group could face if something went wrong and you didn't have PLI, we only fund groups who manage the risk by having PLI.

Important note on Public Liability Insurance:

PLI doesn't cover everything you may expect it to. You may need separate insurance when required, such as volunteers insurance to cover volunteers in the event of an injury claim, or building and contents insurance, to cover damage to a property in your organisation's control (if you're renting a space).

Child Safe Standards

Victorian organisations that provide services or facilities for children (anyone under 18 years old) are required by law to implement Child Safe Standards to protect children from harm. Therefore, if you project/program will engage children as either participants or audience members you will be required to demonstrate that you are complying with the Child Safe Standards by uploading a copy of your organisation's Child Safe Policy or Statement of Commitment to Child Safety.

For further information on the Child Safe Standards see: <https://ccyp.vic.gov.au/child-safety/resources/>

What is an annual financial statement?

All those applying as an organisation must upload a copy of the organisation's (or auspicing organisation's) most recent annual financial statement to their grant application. For most applicants, this will be the previous year's Financial Statements.

The financial statements of an incorporated association must give a true and fair view of its financial performance and position during and at the end of the year.

Requirements of Financial Statements is set out by Consumer Affairs and outlined below:

Financial statements must contain

- Income and expenditure (Income Statement)
- Assets and liabilities (Balance Sheet)
- Notes to the accounts, that includes:
 - information required by the accounting standards
 - information necessary to give a true and fair view
 - information required by the provisions of the Act and its regulations.
